EDUCATION

SCALER SCHOOL OF TECHNOLOGY
COMPUTER SCIENCE BSC + MSC

July 2023 - June 2027
Bangalore

EXPERIENCE

SCALER SCHOOL OF TECHNOLOGY | PRESIDENT, PLACEMENT COMMITTEE

Facilitated the placement of 70+ students through strategic planning and industry collaboration.
Organized training sessions, mock interviews, and networking events.
Built strong relationships with key companies, increasing placement opportunities.

SKILLS

| | |
|-----------------------|---|
| PROGRAMMING LANGUAGES | Java, Javascript, Python, CSS, HTML, TypeScript |
| LIBRARIES/Frameworks | React, Node.js, Express, Spring Boot, Hibernate |
| TOOLS / PLATFORMS | Git, Matplotlib, Pandas, NumPy |
| DATABASES | SQL, MongoDB, MySQL |

PROJECTS / OPEN-SOURCE

MAILBOT | [LINK](#)

Node.js, Express, OpenAI, BullMQ

Created an automated email processing system integrating AI to categorize and respond to emails.
Used OAuth2 for Gmail authentication and implemented Redis for asynchronous task handling.

BOTg | [LINK](#)

React, Node.js, OpenAI, Nodemailer

Developed a chatbot-powered hotel booking system with natural language processing.
Managed customer bookings and Mails using SQLite and Nodemailer.

DUMMYDATASERVER | [LINK](#)

Node.js, MongoDB, JSON, REST API

Developed a Node.js server for efficient storage and retrieval of dummy JSON data using MongoDB.
Implemented API endpoints for filtering, sorting, and secure data handling.

GOOGLE BLOCKLY | [LINK](#)

TypeScript

Enhanced block customization by adding CSS block types to Blockly's root SVG element.

INTERNET ARCHIVE OPENLIBRARY | [LINK](#)

Streamlined the contributor experience by adding a Contributing section in the README.

HONORS & AWARDS

- Achieved World Rank 18 out of 29729 participants in CodeChef START154D (July 2024).
- Achieved World Rank 152 out of 34628 participants in LeetCode Weekly Contest 418 (July 2024).
- Earned the title of Knight on LeetCode with a rating of 2034
